ABOUT LFA

Lead For America is a nonprofit that exists to ensure that our nation's most dynamic and diverse leaders are working on our communities' toughest challenges. To that end, LFA helps outstanding young people become civic leaders, particularly in their hometowns and states. In our flagship two-year paid Fellows program, we've funded and placed over 100 Fellows in newly created positions in their home communities since 2019, and plan to have 100 additional Fellows starting in August 2021. Along with our Fellows program, we have placed 150+ Summer Fellows, launched 10+ college chapters nationwide, and incubated five state and regional affiliates to date.

WHY WE'RE HIRING

Lead For America is about to begin a period of tremendous growth. From the organization's founding in late 2018, we have placed 100+ Fellows in 24 states, raised several million dollars from public, private, and philanthropic partners, and are now operating 5+ state and regional affiliates. By the end of 2021, we expect to grow from 16 full-time employees to 25, which will put us in position to significantly expand our fellowship and education programs, while also investing in deep place-making work in "demonstration cities" to build comprehensive talent and civic education strategies in distressed communities.

We are looking for team members who are excited about being a part of this growth and helping shape a nationwide movement that will be enlisting thousands of young leaders every year. We are seeking people who will see this role as a path to leadership development and professional growth. The right team additions will feel energized and excited by enormous responsibility and opportunities for creative autonomy and must be disciplined, self-motivated, highly organized, and have excellent oral and written skills.

Recently, to embody our values and best serve communities that struggle to attract and retain talent, we relocated our headquarters to Dodge City, Kansas (to learn more about our planned work in Dodge City, see [here](#)). Dodge City is a community with so much to offer — incredible diversity as an immigrant and refugee town, welcoming people, and forward-thinking collaborative leadership. We are a remote first team and will prioritize hiring the best people we can, but we encourage folks joining the team to consider relocating to Dodge City, whether now or in the medium to long term, to help us contribute to the vibrancy of the community. Those who relocate to Dodge City will receive assistance finding housing and being connected to like-minded individuals in the community. Those who join the team but do not relocate will be asked to make frequent trips to Dodge City and will be invited to participate in an extended site visit so we can show why we and so many other teammates have fallen in love with it!
